2. Application process for Course Credit Transfer (12/12)

➤ For all courses submitted for credit exemption, the application cannot be submitted if the course syllabus has not been uploaded. Please ensure that all required documents are complete before confirming and submitting your application.

The screenshot shows a web-based application for course credit transfer. At the top, there are navigation links: 首頁, 修改基本資料, 申請抵免, 申請進度查詢, 列印抵免申請表▼, and 列印抵免檢核表▼. On the right, there are buttons for 應修科目表, 開課查詢系統, and Language: English. The user is currently in the '抵免系統' (Credit Transfer System) section. A modal dialog box is displayed with the message 'etouch30.cycu.edu.tw 說' (etouch30.cycu.edu.tw says) and '第1筆申請資料的課程大綱不得為空!' (The course syllabus cannot be empty!). A red arrow points from this message to the '上傳' (Upload) button in the second row of the main table. The main table has columns for 增加科目 (Add Subject), 原學校科目名稱 (Original School Subject Name), 成績 (Grade), 學分 (Credits), 查詢抵免科目 (Query Credit Transfer Subject), 抵免類型 (Credit Transfer Type), 抵本校科目名稱 (Subject Name at Current School), 學分 (Credits), 性質 (Nature), 必/選修 (Mandatory/Optional), 所屬學期 (Semester), 課程大綱 (Course Syllabus) (with a note '(曾為中原學生免傳)'), 初審單位 (Initial Review Unit), and 復審單位 (Re-review Unit). The second row of the table shows two subjects: '成本及管理會計學(一)' with grade 89 and credits 3, and '會計資訊系統' with grade 75 and credits 3. Both rows have '查詢' (Query) and '抵免' (Credit Transfer) buttons. The '上傳' button for the first subject is highlighted with a red box. The '確定' (Confirm) button is at the bottom of the dialog box, and the '確定送出' (Confirm Submission) button is at the bottom of the main page.

➤ Once the system displays the dialog box, it indicates that your credit exemption application has been successfully completed.

The screenshot shows the same web-based application after a successful submission. The modal dialog box now displays the message '申請成功!!' (Application successful!!) and 'Data added Done!!'. A red arrow points from this message to the '確定' (Confirm) button in the main table. The main table structure is identical to the previous screenshot, showing the same two subjects and their respective details. The '上傳' button for the first subject is now green and has the text '已選取' (Selected). The '確定送出' (Confirm Submission) button is at the bottom of the main page.
